To: Northeastern Area State Foresters

It is time once again to select the Outstanding Cooperative Forest Management (CFM) Forester. The selection criteria are listed below, and State nominations will be accepted until March 1, 2011. The Award gives the opportunity to recognize the dedication and professional work of the Service Foresters of the States and the Area. The Award will be presented at the Cooperative Forest Management (CFM) Committee Meeting in Newport, RI in May (16-19) of 2011.

The criteria upon which the selection is made are as follows:

- Impact on Sustainable Forest Management
- Contributions to the Profession of Forestry
- Community Involvement

Please use the standardized application (attached) for your nomination and return it to Jon Klischies at:
